# FOOD SERVICE SANITATION

## *Food Safety is serious business*

### **76 Million Sicknesses**

An estimated 76 million cases of foodborne illnesses occur each year in the United States.

### **325,000 Hospitalizations**

Centers for Disease Control (CDC) estimates there are 325,000 hospitalizations each year in the United States from foodborne illnesses.

### **Food Safety In The News...**

The media has dramatically increased coverage of foodborne illness, consumers have become more aware of microorganisms in food.

### **5,000 Deaths**

Centers for Disease Control (CDC) estimates there are 5,000 deaths each year in the United States from foodborne illnesses.

### **\$ 6.9 Billion**

USDA's Economic Research Service estimates the annual U.S. economic costs due to foodborne Salmonella infections at \$2.4 billion. The economic cost is \$6.9 billion for the top 5 food related organisms.

### **The cost of food safety...**

The cost of winning, maintaining or rekindling consumer confidence, including safety programs, product promotion, insurance, liability payments and administration of foodborne illnesses, is very heavy.

## **Your Comprehensive Supermarket Sanitation Solution**

- Chemicals • Equipment • Training • Support Materials

CleanSMART™ from NCL is a comprehensive sanitation program designed to deliver top performance in a coordinated easy-to-use system.

CleanSMART™ products are super concentrated, formulated with high dilution rates, specifically for use in the food processing industry.

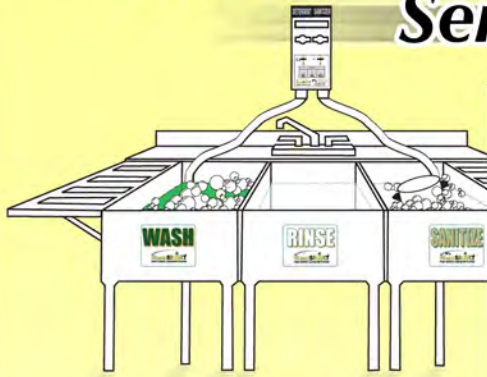

CleanSMART™ products are recommended for use in:

- Meat and Poultry Processing • Fresh Fish Counters • Delicatessens
- Bakeries • Refrigerated Storage • Check Out Counters • Food Courts

### Chemicals

#### Pot N' Pan Detergent SC

- Super concentrate, economical performance
- High performance, long lasting, grease attacking foam.
- Highly specialized surfactant formula is newly updated for improved cleaning power.
- Pre-set "Pak-Smart" 0.25 oz/gal (1:512) dilution simplifies preparation, controls usage costs, provides optimum performance, reduces product over-usage.
- Excellent hand dish wash for dishes, utensils, equipment parts, pots, pans, trays and glassware.
- Exceptionally mild
- Biodegradable, Phosphate Free

Product No. 1115

#### Sanitizer 1:512

- Multi-purpose, neutral pH sanitizer, effective in hard water up to 750 ppm in the presence of a moderate amount of soil (5% organic serum)
  - Super concentrate, economical performance
  - Pre-set "Pak-Smart" 0.25 oz/gal (1:512) dilution simplifies preparation, controls usage costs, provides optimum performance, reduces product over usage.
  - Unique formula can be used to sanitize previously cleaned food grade eggs in shell.

Product No. 1116

#### Pak-SMART™

- Eliminates contact with chemical concentrates, prevents spills, and contamination.
- Makes attaching a new bottle of concentrate cleaner, safer and more efficient.
- In-container dip tube simplifies product usage.
- Self-venting design eliminates bottle collapse and ensures accurate product flow.
- Integrated backflow check valve.

#### Foaming Degreaser Cleaner SC

- Odor-free cleaner for floors, walls, cutting tables, trays, display cases, bandsaws and equipment.
- Super concentrate, economical performance
- Thick foam clings to vertical surfaces and equipment for thorough cleaning.
- Highly specialized surfactant formula is newly updated for improved cleaning power.
- Finds fat, grease, blood, vegetable oil and soil, surrounds it and emulsifies it for complete, easy removal
- Pre-set "Pak-Smart" 1.3 oz/gal (1:96) dilution simplifies preparation, controls usage costs, provides optimum performance, reduces product over usage.
- Rinses clear with no streaking or spotting.
- Biodegradable, Phosphate Free, Butyl Free

Product No. 1117

## Equipment

### CleanSMART™ Sink Dispensing Unit

- Conveniently fill large sinks with detergent and sanitizer.
- Ball valve construction for use without holding or locking a button.
- Durable, heavy-duty stainless steel construction.
- Small Footprint
- Delivers consistently diluted ready-to-use product.
- Eliminates contact with chemical concentrates.
- ES-Gap educators provide back flow protection and satisfy most plumbing code requirements.

Product No. 4118

### CleanSMART™ Foam Dispensing Unit

- Simple, easy to use design. Turn on the water flow, and select a function (foam, rinse or sanitize).
- Patented selector valve eliminates need for multiple ball valves, lowers costs, and simplifies operation.
- Durable, reliable, high quality molded construction resists chemical attack and hard water deposits.
- Delivers consistently diluted ready-to-use product.
- Eliminates contact with chemical concentrates.
- Integrated hose rack.
- Multi-function nozzle easily switches between foaming, sanitizing and rinsing.
- Easily understandable icons replace text, simplifying proper use by all workers, regardless of language.

Product No. 4119

### Handi Rack Round Gallon

- Sturdy, rust resistant wire construction.
- Black powder coated.
- Fits all standard round gallon bottles.
- Comes complete with all mounting hardware.

Product No. 4145

## CLEANERS/SANITIZERS

### POOFF

#### *Foaming Cleaner*

High foaming degreaser for deep cleaning of commercial meat room equipment, food preparation surfaces, walls and floors. Concentrated, free rinsing and odorless. USDA authorized, A-1 rating.

### FROST FREE

#### *Freezer & Cold Room Cleaner*

Safe and effective concentrate for cleaning frozen food displays, refrigerators or cold storage areas. Cleans to -35° F. USDA authorized, A-5 rating.

### BIG PUNCH

#### *Cold Oven and Grill Cleaner*

Potent commercial cleaner for renovation of ovens, grills and fryers. Concentrated, free rinsing and odorless. USDA authorized, A-8 rating.

### SURGE

#### *Heavy Duty Liquid Drain Opener*

Non-acid drain opener that pours through standing water and goes directly to clog. Removes scum, hair and grease. Non-fuming.

### CITROL

#### *Natural Citrus Degreaser Deodorizer*

All natural citrus grease trap cleaner and drain maintainer. Quickly dissolves grease build-up and controls odors. Environmentally safe.

### SANIQUAT

#### *Disinfectant Sanitizer Deodorizer*

Super concentrated cold disinfectant and sanitizer for use on all food preparation surfaces and utensils. USDA authorized, D-2 rating.

### SPRITZ

#### *RTU Sanitizer*

Ready-To-Use sanitizer that quickly and easily sanitizes hard, nonporous food contact surfaces in 60 seconds.

## HAND CLEANERS

### AFFIRM

#### *Anti-Bacterial Lotion Hand Cleaner*

A lotionized, synthetic antimicrobial hand cleaner with modern conditioners and emollients create a safe skin care product. Outstanding Bajan™ fragrance.

## ENZYMATIC PRODUCTS

### SHA-ZYME

#### *Grease Attacking / Anti Slip / Deodorizing Bio-Cleaner*

Powerful bio-enzymatic action removes grease and organic soils like magic. A no-rinse daily cleaner. Meets requirements for USDA authorization, C-1 rating.

### NATURE'S SOLUTION

#### *Bio-Enzymatic Deodorizer & Digester*

All natural organic deposit digester and deodorizer for use in drains and grease traps. USDA authorized, C-1 rating.

### NATURE'S POWER

#### *Grease Build-Up*

#### *Remover & Drain Maintainer*

An all natural, drain line, grease trap and septic tank maintainer. Each gallon contains over 200 billion synergized bacteria.

### NATURE'S FORCE

#### *Bio-Enzymatic Drain Opener and Maintainer*

A fast working drain opener and maintainer that dissolves organic deposits and with regular use keeps drains clean. Each gallon contains over 100 billion bacteria.

## DISH DETERGENTS

### GREEN EMERALD

#### *Premium Dishwash Detergent*

A premium grade dish washing detergent that is exceptionally mild to the hands, yet cleans even the greasiest dishes and glassware. USDA authorized, A-1 rating.

### GOLDEN POT & PAN

#### *Dishwash Detergent*

A premium grade concentrated liquid dishwash detergent. Lemon scented and golden amber in color. USDA authorized, A-1 rating.

### HURRAH

#### *Premium Grade Lotionized Dishwash Concentrate*

Premium grade hand dish detergent for effective soil removal from pots and pans, trays, flat ware and utensils. USDA authorized, A-1 rating.

## AEROSOLS

### KITCHEN MATE

#### *Professional Oven & Grill Cleaner*

Ready-to-use foaming aerosol oven and grill cleaner. USDA authorized, A-8 rating.

### GLIMMER

#### *Stainless Steel Cleaner & Polish*

Ready-to-use foaming aerosol cleaner and polish for routine maintenance of stainless steel, copper, brass, chrome and other shiny metal surfaces. Pleasant lemon scent. USDA authorized, A-7 rating.
