

# ProLEX™

EXCELLENCE IN WAREWASH  
CLEANING TECHNOLOGY

Welcome to  
our world  
of clean!

*World Class Cleaning Solutions®*

*From the leader in World Class Cleaning Solutions...*

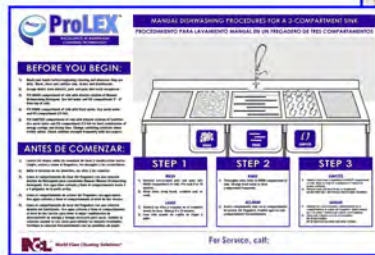

To create a warewashing program that offers exceptional cleaning performance, the NCL team of product research and development specialists used our over 60 years of chemical expertise to create problem-solving chemical formulations, followed by extensive field product testing.

The result...NCL is proud to introduce the **ProLEX™ Professional Warewashing System**. This outstanding system of products provides sparkling dishes and flatware for hotels, resorts, restaurants and other facilities that demand nothing but the best!

Whether you utilize high temperature or low temperature equipment, there is a ProLEX™ product that is right for your application.

At NCL, we recognize that proper training is an essential part of a successful warewashing program. Factory-trained representatives will provide the assistance you need to train your personnel, with easy-to-follow wall charts, user manuals and other materials to assure clean dishes...*from start to finish!*

**ProLEX™...Excellence in Warewash Cleaning Technology!**

## Machine Dishwashing - High Temperature

### HTS-310

#### *Premium High-Temp Solid Dishmachine Detergent*

ProLEX™ HTS-310 is a premium grade solid machine warewashing detergent that cleans efficiently and rinses freely. Fast acting alkali source solubilizes food soils for easy removal & one-pass washing; also assures consistent results and maximum cost effectiveness. Works on a wide range of soils, and can be used in all water conditions. This detergent is non-foaming and effective in hot and low-temp system applications. Helps to prevent the formation of scale on machine surfaces. Provides for effective rinsing.

Product Code #1120

Packaging: 4 - 8 Lb. Containers per case

### HTR-260

#### *Concentrated High-Temp Rinse Additive*

ProLEX™ HTR-260 is a concentrated rinse additive that causes water to "sheet off" dishes, glassware, etc. in machine dishwashing applications. Provides rapid drying to eliminate water spotting. Performs under a wide range of water hardness to prevent re-deposition of solids. Can be used with all types of dispensing equipment.

Product Code #1123

Packaging: 5 Gallon Pails, 4 X 1 Gallon Bottles per case

### HWR-500

#### *Premium Hard Water Rinse Additive*

ProLEX™ HWR-500 is a concentrated rinse additive formulated to perform in high and low temperature applications. May also be used in low temperature equipment. Causes water to "sheet-off" dishes, glassware, etc. in machine dishwashing applications. Provides rapid drying to eliminate water spotting. Performs under a wide range of water hardness to prevent re-deposition of solids. Can be used with all types of dispensing equipment.

Product Code #1124

Packaging: 4 X 1 Gallon Bottles per case

# Machine Dishwashing - Low Temperature

## LTD-220 *HD Multi-Temp Machine Detergent*

ProLEX™ LTD-220 is a non-chlorinated, non-foaming, highly concentrated warewashing detergent for use in both low and high temperature dish machines. This high active detergent is designed with a unique blend of water conditioners, soil suspending agents and alkaline agents to tackle tough greasy soils. Effective in removing a wide range of soils from stainless, glass, plastic and fine china.

Product Code #1121

Packaging: 5 Gallon Pails, 4 X 1 Gallon Bottles per case

## LTR-250 *Premium Low Temperature Rinse Additive*

ProLEX™ LTR-250 Premium Low Temperature Rinse Additive causes water to "Sheet Off" dishes, glassware, etc. in machine dish washing operations. Provides rapid drying to eliminate water spotting. Performs under a wide range of water hardness to prevent re-deposition of solids. Can be used with all types of dispensing equipment.

Product Code #1122

Packaging: 5 Gallon Pails, 4 X 1 Gallon Bottles per case

# Manual Dishwashing Liquids

## UCD-290 *Ultra Concentrated Pot / Pan Detergent*

ProLEX™ SCD-290 is a super concentrated, economical formula providing high performance with long lasting, grease attacking foam. Highly specialized surfactant formula is newly updated for improved cleaning power. Excellent hand dish wash for dishes, utensils, equipment parts, pots, pans, trays and glassware. Light, fresh lemon fragrance.

Product Code #1130

Packaging: 4 X 1 Gallon Bottles per case

## PGD-285 *Premium Green Dishwash Detergent*

ProLEX™ PGD-285 is a premium grade dishwashing liquid that is exceptionally mild to hands, yet cleans even the greasiest dishes and glassware. Dishes, glassware, utensils, pots and pans shine with sparkling cleanliness and dry without spotting. Unique combination detergent system, rinse additives and proprietary wetting agents provide high stable foam with very effective cleaning.

Product Code #1131

Packaging: 5 Gallon Pails, 4 X 1 Gallon Bottles per case

## GMD-280 *Golden Manual Dishwash Detergent*

ProLEX™ GMD-280 is a pleasantly scented dishwashing liquid that promotes exceptional mildness to hands, yet cleans even the greasiest dishes and glassware. Dishes, glassware, utensils, pots, and pans shine with sparkling cleanliness and dry without spotting.

Product Code #1132

Packaging: 5 Gallon Pails, 4 X 1 Gallon Bottles per case

# Sanitizer

## MDS 275 *1:512 Sanitizer*

ProLEX™ MDS-275 is a highly concentrated, multipurpose sanitizer designed for economical, effective germ control. This product is a dual chain quaternary ammonium chloride for use as a no-rinse sanitizer in sinks and on hard surfaces. High use dilution provides economical use for sanitizing. Odorless formula ideal for food processing environments.

Product Code #1133

Packaging: 4 X 1 Gallon Bottles per case

# Degreaser Cleaner

## HDC-530 *Heavy Duty Kitchen Degreaser Cleaner*

ProLEX™ HDC-530 is a revolutionary industrial strength non-butyl degreaser cleaner that rapidly removes the most stubborn greasy soils. ProLEX HDC-530 provides superior labor-saving cleaning to reduce maintenance costs. It is non flammable and biodegradable.

Product Code #1134

Packaging: 4 X 1 Gallon Bottles per case

# Bio-Enzymatic Products

## EDM-540

### *Bio-Enzymatic Digester / Drain Maintainer*

ProLEX EDM-540 is a unique, multi-strain bacterial system combined with a synergistic blend of wetting agents, chelating aids, odor counteractants and penetrants which bio-enzymatically destroys odors, removes organic stains and liquefies greases. Use daily in cleaning and maintaining drains in hotels, motels, schools, hospitals, nursing homes, restaurants & cafeterias. Safe to use on grease traps & drains.

Product Code #1135

Packaging: 5 Gallon Pails, 4 X 1 Gallon Bottles per case

## BEC-560

### *Grease Attacking Anti-Slip Bio-Enzymatic Cleaner*

ProLEX BEC-560 is a no-rinse daily cleaner and degreaser for use on porous hard surfaces such as concrete, quarry tile, ceramic tile, brick, or any grouted floor surface without floor finish or wax. Especially made for kitchens and food preparation areas. With deep cleaning action this product removes grease and grime below the surface to make quarry tile floors (and grout) more slip resistant. Removes breeding sites for unwanted pests (such as fruit flies).

Product Code #1136

Packaging: 4 X 1 Gallon Bottles per case

# Specialty Warewashing Products

## CDL-520

### *Concentrated Delimer*

ProLEX CDL-520 is concentrated delimer that uses a select blend of organic and inorganic acids, combined with controlled foam surfactants and penetrants for superior performance. Low-odor and non-fuming it prevents corrosion while dissolving lime deposits, scale, milk stone, films and light rust from stainless steel, aluminum, tile, porcelain, and other surfaces. Can be diluted for manual cleaning or up to full strength for fast de-liming of automatic dishmachines and C.I.P. equipment.

## FPS-510

### *Concentrated Liquid Flatware Presoak*

Specially formulated for presoaking and de-tarnishing of flatware, ProLEX FPS-510 performs equally well in hard and soft water. Contains ingredients which aid in the reduction of water spotting on flatware, as well as loosening cooked on soils.

Product Code #1125

Packaging: 4 X 1 Gallon Bottles per case

# Oven Cleaner

## OGC-570

### *Heavy Duty Oven & Grill Cleaner*

ProLEX OGC-570 is a commercial strength liquid oven cleaner; highly effective on cold oven soils and the most rapid cleaner for warm ovens. Outstanding cleaner for ovens, grills, deep fat fryers, ranges, rotisseries, hoods and filters. An absolute necessity for quick and effortless cleaning of all types of kitchen equipment in plants, restaurants and other facilities.

Product Code #1137

Packaging: 4 X 1 Gallon Bottles per case
