

15% COCONUT OIL

Pure Liquid Hand Soap

DESCRIPTION

A pure refined coconut oil soap which provides copious lather and excellent cleaning action. This all natural coconut soap is manufactured from the whole coconut oil retaining the natural glycerine. The oil is saponified in a high powered reactor and utilizes de-ionized water, along with sequestering agents to insure sparkling clarity.

PRODUCT FEATURES / BENEFITS

- Made from natural Coconut Oil / Contains all of the natural emollients and humectants
- Traditional "Green Soap" appearance / Has the appearance and odor recognized as the standard for hand cleaners
- Fast acting rich lather / Imparts the feeling of quality
- Non-corrosive to dispensers / Safe for even chrome plated metal dispensers

DIRECTIONS FOR USE

Adjust water temperature, wet hands, and apply a small quantity of soap. Work into a rich lather, then rinse. Dry completely with a clean cloth or paper towel, or hot air. Complete drying is essential to protect against chapping.
