

AUTO KLEEN™

Car Wash

DESCRIPTION

A superior cleaner and re-conditioner for all automotive surfaces including interior applications. This unique car wash utilizes a dual wetting agent system, sequestering aids and is purified with the use of de-ionized water for excellent film free cleaning.

PRODUCT FEATURES / BENEFITS

- Complete solubility / Provides uniform film-free evaporation
- Pleasantly fragranced and colored / Maximizes consumer appeal and acceptance
- Self-service designed / Ideal product for pressure cleaning in self-serve bays
- pH buffered / Will not harm wax on finished surfaces of any kind
- Rapid detergency / Gives fast penetration and removal of all films and dirt

DIRECTIONS FOR USE

Superior cleaner and re-conditioner for all automobile surfaces. Specially formulated for outstanding maintenance of both exterior auto finishes and auto interiors. Use on vinyl, plastic, glass, painted metal, chrome, and aluminum for a bright, film free shine. Completely safe. Will not harm paint, metal trim, glass, carpets or upholstery. Recommended for cars, trucks, vans, buses, trailers, aircraft, boats, golf carts, and other types of vehicles. Do not wash in direct sunlight. Clean automobile top to bottom. Completely effective in hard or soft, hot or cold water.

GENERAL EXTERIOR CLEANING - Use 4 to 6 ounces of cleaner per gallon of water.

INTERIOR CLEANING OR LIGHT DUTY EXTERIOR CLEANING - Use 2 to 4 ounces of cleaner per gallon of water.

HEAVY DUTY CLEANING - Use 7 to 12 ounces of cleaner per gallon of water.

More or less cleaner can be used as required by the soiling conditions. After cleaning, rinse away dissolved grit and grime to leave vehicle beautifully clean.

SPECIFICATIONS
