

# KITCHEN MATE

## Professional Oven & Grille Cleaner

### DESCRIPTION

A commercial strength grill cleaner and oven renovator. This super active formula eliminates the need for scraping and scouring of burnt-on grease and grime. Its unique foam/gel applies easily and coats all surfaces uniformly. Highly effective on both cold and warm oven surfaces.

### PRODUCT FEATURES / BENEFITS

- Super active formula / Provides superior cleaning on tough commercial soils
- Thick clinging foam / gel / Applies uniformly and clings to vertical surfaces for maximum surface exposure
- Warm or cold oven cleaner / Does not require oven preheat. Improves ease of application and clean up.
- Fast acting / Penetrates quickly to minimize labor
- USDA approved / Offers universal use by all food processing facilities

### DIRECTIONS FOR USE

This versatile formula can be used in all food processing facilities. Excellent for cleaning grills, rotisseries, stove burners, overhead vents, electric frying pans and accessories.

Shake well before use. Spray all surfaces evenly from a distance of 9-12 inches. Use in either warm (200°F or lower) or cool empty oven. Allow foam to work 5-10 minutes on warm surfaces, 10-20 minutes on cool surfaces. Rinse thoroughly with water. Preheating the oven to 150° F - 200°F will promote rapid cleaning of burnt-on soils.

NOTE: Always wear rubber gloves and eye protection when using this product. Never spray toward face or eyes. Keep away from light bulbs, electrical connections, switches and receptacles.

### SPECIFICATIONS

Appearance ..... Amber Gel  
 Odor ..... Alkaline  
 Propellant ..... Hydrocarbon  
 pH ..... 13.0 ± 0.5

Rinsability ..... Complete  
 Cleaning ..... Superior  
 Shelf Life ..... 1 year minimum in original unopened container

### SAFETY INFORMATION

**DANGER: FLAMMABLE AEROSOL. CONTAINS GAS UNDER PRESSURE; MAY EXPLODE IF HEATED. HARMFUL IF SWALLOWED. HARMFUL IF INHALED. HARMFUL IF IN CONTACT WITH SKIN. CAUSES SEVERE SKIN BURNS AND EYE DAMAGE. KEEP OUT OF REACH OF CHILDREN.**

**Prevention:** Keep away from heat/sparks/open flames/hot surfaces. No smoking. Read label before use. Avoid breathing mist or vapor. Wear eye/face protection. Wash thoroughly after handling. Keep out of reach of children..

**Response:** IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

**Storage:** Protect from sunlight. Do not expose to temperatures exceeding 122°F/50°C. Store in a well ventilated place.

**Disposal:** Dispose of waste and residues in accordance with local authority requirements.

This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200. All components are not listed on TSCA.

**Additional safety measures:**

Read the entire label and SDS before using this product, and for additional first-aid measures. SDS for this product is available on the web at [www.nclonline.com](http://www.nclonline.com).
