

PINK SUDS

Lotionized Dishwash Detergent

DESCRIPTION

A highly concentrated hand dish detergent combining the unique properties of powerful, grease cutting action into a dish wash that is safe, and very gentle to the hands. PINK SUDS is blended from a complex, three part surface active synthetic process which gives it the most effective emulsifying and degreasing capacity.

PRODUCT FEATURES / BENEFITS

- Foam stable / Promotes user appeal and lasting cleaning
- Anionic, nonionic charged surfactants / Gives the most effective cleaning, foam stability and degreasing action
- Pleasantly colored and perfumed / Offers acceptance by all personnel
- Lotionized and buffered / Protects and softens skin
- Highly concentrated / Provides extended use dilution and cost effectiveness

DIRECTIONS FOR USE

PINK SUDS is a pleasantly scented, lotionized dishwashing liquid for exceptional mildness to hands. PINK SUDS cleans even the greasiest dishes and glassware. Dishes, glassware, utensils, pots, and pans shine with sparkling cleanliness and dry without spotting.

Add 1/2 oz. of PINK SUDS to 1 to 2 gallons of water in wash basin or sink. Wash dishes as usual, rinse, wipe or drain dry. For exceptionally greasy ware, a small addition of more PINK SUDS may be desired.

SPECIFICATIONS

Appearance	Semi-Viscous Liquid	Foam (Lather)	Abundant
