

17" & 20" STONE BLAZER™

Ultimate Duty Stone Restoration Machine

DESCRIPTION

Designed for the unique, rugged needs of the commercial stone floor maintenance market. These STONE BLAZER™ Ultimate Duty Stone Restoration Machines feature a fan-cooled, completely enclosed 1.5 horse power motor that resists dust and moisture penetration and is ideal for use in harsh conditions such as marble or granite maintenance. With a steel welded frame and added weight capacity of up to 200 lbs, these versatile units can be used for cleaning, crystallization, wet polishing or diamond grinding of marble, granite, limestone, concrete, terrazzo, and other stone surfaces. Equipped with performance and convenience in mind, STONE BLAZER is ready for all stone maintenance tasks... right out of the box.
