

# BLUE VELVET™

## No Film General Purpose Cleaner

### DESCRIPTION

Pleasantly fragranced and colored all purpose, no-film, general purpose cleaner. Provides a unique blend of synthetic detergents, wetting agents, emulsifiers, chelating agents, sequestering agents, and builders to form a biodegradable, pH controlled product for use in virtually every area.

### PRODUCT FEATURES / BENEFITS

- Versatility / Permits safe effective cleaning of any surface not harmed by water
- pH controlled / Contains no acids, harsh alkalis, or corrosive materials to permit safe use
- Pleasantly fragranced and colored / Promotes general acceptance and appeal by all personnel
- No film formula / Allows most effective results to be obtained with less effort
- Highly concentrated / Maximizes economy with high dilution rates

### DIRECTIONS FOR USE

Housekeeping, institutional, industrial; this product is the all purpose cleaner for you. Versatility is the byword for this product which can be used for general housekeeping, floor finish maintenance, automotive and marine maintenance as well as many industrial operations. Used effectively in hot or cold water and its cleaning ability is not decreased even in hardest water conditions. Also used for general maintenance of bath and shower rooms which quickly removes body oils, soap and water residues, and general soil, leaving behind only a sparkling clean, fresh, and hygienic shine.

**Light Duty Cleaning:** Use at 1 ounce of product per gallon of water (1:128) for removal of light soil and finished floor

maintenance. Apply by any convenient method. At this dilution no rinsing is required.

**General Cleaning:** Use at 2 ounces per gallon water (1:64) for removal of most common soils as well as bathroom cleaning and vehicle maintenance. Apply by any convenient manner, allow a few moments to work, rinse with clear water for a sparkling film free shine.

**Heavy Duty Cleaning:** Use at 4 ounces or more per gallon of water (1:32) for removal of heaviest soils and grease. Use in hot, cold, hard or soft water through any type of cleaning equipment. Apply, allow time to loosen soil, agitate if desired and rinse clean.

### SPECIFICATIONS

Color.....	Deep blue
Odor.....	Pleasant citrus
pH (conc.).....	11.4 ± 0.5
pH (1:128).....	9.7 ± 0.5
Specific Gravity (g/cc).....	1.03 ± 0.01
Density (lbs/gal).....	8.6 ± 0.1

Viscosity (cps).....	150 ± 30
Upper Cloud.....	> 130°F
Lower Cloud.....	< 35°F
Cleaning Ability.....	Superior
Rinsability.....	Complete
Surface Compatibility.....	Any surface not harmed by water
Shelf Life.....	1 year minimum in original unopened container
