Drive High Performance!

• Fast acting; rapidly penetrates and liquefies floor finish for easy removal.

Drive Costs Down!

• Concentrated formulation, uses higher dilution ratios to save product cost.

Drive Results!

• Easily, thoroughly removes floor finish build-up.

Liquifies floor finish with unbeatable speed!

Product #1062-21
(5 gal pail)

Product #1062-29
(4x1 gallon case)

SPECIFICATIONS:

- Appearance: Clear, Thin Liquid
- Odor: Mild characteristic
- pH (concentrate): 13.6 ± 0.4
- Evaporation Rate: = To Water
- Solubility In Water: Complete
- Specific Gravity (g/cc): 1.01 ± 0.01
- Upper Cloud: > 140°F
- Lower Cloud: < 34°F
- Freeze/Thaw: Stable
- Hard Water Performance: Excellent
- Shelf Life: 1 year minimum in original unopened container
