GREASE-ATTACKING
ANTI-SLIP DEODORIZING
BIO-CLEANER

SHA-ZYME™ is a no-rinse daily cleaner and degreaser for use on porous hard surfaces such as concrete, quarry tile, ceramic tile, brick, or any grouted floor surface without floor finish or wax.
SHA-ZYME™ with deep cleaning action removes grease and grime below the surface to make floors more slip resistant. SHA-ZYME™ dissolves organic waste on floors leaving a more sanitary condition. Specialized SMB™ (Synergized Multi-Blend) biological engineered formula continues working to consume grease, grime, urine deposits, deodorize and brighten floors.

QUARRY TILE
TERRAZZO
RESTROOMS
BRICK

TECHNICAL SPECIFICATIONS:

Color ............................................. Green Liquid
Odor ........................................... Pleasantly fresh
pH (conc.) ................................... 9.0 ± 0.5
pH (1:64 Use Dilution) ................. 7.5 ± 0.5
Viscosity ..................................... .30 cps
Solubility ...................................... Complete
Grease Removal ...................... Excellent
Organic Odor Elimination .............. Excellent
Emulsification ......................... Excellent
Bacteria System ...................... SMB (Synergized Multi-Blend)
Concentration of Bacteria ........ Over 200 billion/gal.
Surface Compatibility ........ Safe on all water washable surfaces

DIRECTIONS FOR USE:

Dilute SHA-ZYME™ using the chart below as a guideline in warm water.
SHA-ZYME™ can be used by hand mopping or through an automatic scrubber.
Ideal for urine odor removal.

SOIL CONDITIONS | DILUTION
Light Duty Cleaning / Daily Maintenance .................. 2 oz./Gal. (1:64)
Medium Duty Cleaning ............................................. 4 oz./Gal. (1:32)
Heavy Grease / Heavy Floor Maintenance ............... 6 oz./Gal. (1:20)
Urine Odor Removal .............................................. 6 oz./Gal. (1:20)

1. Dilute according to soil conditions using warm water into mop bucket or automatic scrubber.
2. Apply solution onto floor using mop or apply through automatic scrubber.
3. Allow solution to penetrate grease and soils.
4. If needed, brush floor with a stiff bristled brush.
5. Mop up solution or squeegee to the drain. Do not rinse. Allow floor to air dry.

NOTE: For use on floors only. Do not use on food contact surfaces.
