**World Class Cleaning Solutions®**

# World Class Stone Care Solutions

STONE CARE SOLUTIONS™ from NCL is a complete, professional program for the restoration, protection and long term maintenance of natural stone and ceramic surfaces. This coordinated system allows you to maintain your natural floor surfaces, countertops, tables and other areas at peak polish levels, while protecting the surface from spills and staining.

For over 50 years, discriminating sanitary maintenance professionals have trusted the performance and quality of the products from National Chemical Laboratories.

At NCL, all of our efforts are driven toward the development of new, innovative products and systems designed for exceptional performance while saving you time, labor and money.

STONE CARE SOLUTIONS™ offers you maximum performance with user-friendly, stone-specific products for maintaining almost any natural stone or ceramic tile surface. This comprehensive program is designed for building service contractors and in-house facility service providers, and does not require years of technical experience with abrasive methods!

## Stone Care Solutions

### Marble Care

#### ONE STEP™ Crystallizer Spray N' Buff

Simple-to-use restoration system for marble, terrazzo and polished limestone floors. Produces a very high polish. The newly restored surface resists scuffs, scratches and will be very durable. ONE STEP CRYSTALLIZER SPRAY N' BUFF dries as you buff and therefore requires no messy clean-up. UL Classified.

12 X 32 OZ QUARTS: Item # 2501-36  
4 X 1 GALLON: Item # 2501-29

#### MPR™ Marble Restoration Paste

An advanced compound for all polished marble, limestone, and terrazzo. MRP™ easily removes light scratches from the surface and creates a true dazzling polish on even difficult-to-polish marble surfaces (such as green or black marble). MRP does not require the use of weighted marble equipment and in many cases reduces the need for costly diamond honing.

10 LB CONTAINER: Item # 2522-23

#### NCL-2™ Rapid Action Stone Crystallizer

A new dimension in stone restoration. Developed as a simple-to-use restoration system for marble, terrazzo and polished limestone floors. Rapidly re-polishes worn marble, limestone and other calcium-containing natural surfaces. Easy-to-Use; just spray and buff surface to a dazzling polish. This newly restored surface will be very durable, resist scuffs and scratches. NCL-2™ dries as you buff and therefore requires no messy clean-up.

4 X 1 GALLON: Item # 2529-29

#### RESTORE-IT™ Marble Polishing Creme

RESTORE-IT is ready-to-use polishing cream that will re-polish worn marble, travertine, terrazzo, polished limestone, and may also be used to polish concrete after honing. Water marks, etching from fruit juices and alcohol, as well as minor surface scratches can be removed while restoring a high degree of natural polish. Use RESTORE-IT on floors as well as countertops and furniture. It contains no solvents and is VOC compliant.

12 X 32 OZ QUARTS: Item # 2502-45  
4 X 1 GALLON: Item # 2502-29

## Terrazzo Care

**ROCK HARD™ Step 1 - Stone Hardener**  
 ROCK HARD™ is the first step of a synergistic two-step polishing and maintenance program for all types of terrazzo and natural stone. It hardens the surface of terrazzo, marble and granite. Then, with the use of DIAMOND GLOSS™, an easy-to-maintain, super high gloss is produced on the surface. It is recommended for polishing terrazzo, hard marble surfaces (such as serpentine), and most types of granite. Continued use increases the density of the surface for more resistance to wear and staining.

4 X 1 GALLON: Item # 2506-29

**DIAMOND GLOSS™ Step 2 - Stone Rejuvenator**  
 DIAMOND GLOSS™ is the second step of a synergistic two step polishing and maintenance program for terrazzo and natural stone. It works to produce a super tough, super high gloss on terrazzo, marble and granite and which have been treated with ROCK HARD™ Step 1. Terrazzo (both cementitious and resinous) will be improved with this process. Surface is ultra resistant to scratches and scuffs. It reduces long term labor costs. The surface is dramatically more resistant to wear and staining.

4 X 1 GALLON: Item # 2523-29

## Granite Care

**GRP™ Granite Restoration Paste**  
 GRP™ Granite Restoration Paste is a fortified paste product designed to restore the original factory gloss to worn polished granite surfaces. It is safe, effective to use and does not contain harsh acids. Removes surface scratches on worn polished granite surfaces.

10 LB CONTAINER: Item # 2524-23

**GRANITE STAR™ Crystallizer Spray N' Buff**  
 GRANITE STAR™ Crystallizer Spray N' Buff is a breakthrough technology formulation that allows you to maintain polished granite surfaces as easily as spray buffing your floors. It brightens the color of any granite surface; GRANITE STAR™ is even effective on black granite. Easy-to-use; just spray and buff. Saves a minimum of 40% in labor costs for granite polishing when compared with the use of diamonds.

4 X 1 GALLON: Item # 2525-29

## Routine Maintenance

**PATINA™ Stone Cleaner / Conditioner**  
 PATINA™ is an all natural, biodegradable, highly concentrated cleaner/conditioner designed for daily cleaning and conditioning of marble, granite, limestone, travertine, terrazzo, agglomerate, slate, unglazed ceramic, porcelain, terra cotta, saltillo and concrete. Regular use provides a dirt repellent barrier, prevents hard water damage, brings out the natural color and brilliance of the stone, and improves slip resistance on polished surfaces.

4 X 1 GALLON: Item # 2504-29

**STONE KLEEN™ Daily Neutral Stone Cleaner**  
 STONE KLEEN™ is a highly concentrated neutral pH scrubbing cleaner designed specifically for daily use in automatic scrubbers. It is safe and effective on all stone surfaces: Marble, granite, limestone, onyx, terrazzo, travertine, flagstone, sandstone, slate, clay tile, saltillo tile, terra cotta, quarry tile, cantera, ceramic tile, pavers, grout, agglomerate and masonry surfaces. It is also excellent for damp mopping on polished marble surfaces where frequent re-polishing by the crystallization method is performed.

4 X 1 GALLON: Item # 2503-29

**HURRICANE™ Intensive Stone Cleaner**  
 Hurricane Intensive Stone Cleaner is a high active, extra strength degreaser, cleaner and grout film remover that is safe for use on granite, marble, polished limestone, terrazzo, flagstone, clay tile, terra cotta, quarry tile, cantera, ceramic tile, porcelain, slate, pavers, grout, concrete, and masonry. Effectively removes dirt deposits, grease accumulation, food stains and petroleum-borne soils without affecting the natural structure of the stone. HURRICANE is intended for use as a periodic cleaner where heavy soiling is present, for construction job site clean-up and as an integral part of the STONE CARE SOLUTIONS Maintenance System.

4 X 1 GALLON: Item # 2510-29

# Stone Care Solutions

## Ceramic Tile Care

### CRC™ Ceramic Restoration Creme

Polish glazed and unglazed ceramic and porcelain tile. It contains highly refined, carefully selected abrasives that produce a bright luster on ceramic and porcelain tiles. This revolutionary “one-step” crème will produce a shine up to 4 times faster than the two step powder-systems. CRC scours ceramic tile to remove years of built-up stains and mineral deposits. The tile and grout will look better than new with a minimum of effort.

12 X 32 OZ QUARTS: Item # 2527-45

### TWISTER™ Mineral Deposit / Cement Film Remover

TWISTER™ is a highly concentrated, fast acting, acid based cleaner for use on textured granite and other non-polished natural stones as well as unglazed ceramics. TWISTER™ removes grout and mortar residues, lime and hard water mineral deposits, efflorescence, surface rust and heavy construction dirt.

4 X 1 GALLON: Item # 2517

### CYCLONE™ Intensive Ceramic Tile / Grout Cleaner

A heavy duty alkaline cleaner for removal of ingrained dirt, oil, grease and wax on all ceramic tile, porcelain tile and grout surfaces. CYCLONE™ is also a very effective grout cleaner for all polished and non-polished ceramic, porcelain and stone installations.

4 X 1 GALLON: Item # 2516-29

### CERAMI-SHEEN™ Daily Ceramic Tile Cleaner

A safe yet effective daily cleaner for all types of ceramic tile and grout. A pH neutral, concentrated cleaner for all types of glazed and unglazed ceramic tile, porcelain and monocottura tile surfaces. Leaves surfaces clean and sparkling with no residue. An excellent choice for cleaning ceramic tile in foyers, lobbies, corridors, showrooms and many other areas.

4 X 1 GALLON: Item # 2519-29

## Stone Protection

### SURFACE BARRIER™ Water-Based Fluoropolymer Impregnator

SURFACE BARRIER™ is a “state-of-the-art” water-based fluoropolymer impregnator that penetrates deep into porous surfaces, creating a long lasting, invisible barrier that allows vapor transmission. SURFACE BARRIER™ repels and protects against dirt, oil, food stains, grease, mold, mildew and waterborne soils. SURFACE BARRIER™ can be used on all indoor and outdoor natural stone surfaces including: marble, granite, limestone, onyx, travertine, terrazzo, flagstone, sandstone, slate, clay tile, saltillo tile, terra cotta, quarry tile, cantera, unglazed ceramic tile, pavers, grout, concrete and masonry surfaces. SURFACE BARRIER™ is ideal for indoor use on floors, kitchen countertops, showers, tubs, fireplaces, etc. SURFACE BARRIER™ is also designed for outdoor use on stone surrounds, terraces, balustrades and swimming pool surrounds.

12 X 32 OZ QUARTS: Item # 2500-42  
4 X 1 GALLON: Item # 2500-29

### SOIL-LOK™ Penetrating Grout Sealer

Uniquely designed for ceramic tile grouting, this exceptional product repels dirt, oil and water; keeps grout looking bright. A water-based penetrating sealer that repels oil, dirt and moisture from grout. Detergent washable, this product will keep grout looking like new. Does not change the original color of grout. SOIL-LOK™ allows for vapor transmission to prolong grout life. Can be used indoors or outdoors. Mild odor.

12 X 32 OZ QUARTS: Item # 2521-45

## Why use SURFACE BARRIER?

Prior to any maintenance program, a protective barrier must be applied to prevent the floor from becoming permanently stained by juices, coffee, tea, oil, grease and other substances.

This barrier, known as a stone impregnator, will seal the pores of the stone without blocking vapor transmission which can structurally damage the stone surface.

UNTREATED

TREATED WITH SURFACE BARRIER™

The stone surfaces above were affected by mineral seal oil. On the left (untreated side), the oil has left an immediate stain, while the oil on the right side (treated with SURFACE BARRIER™) has “beaded-up” and can be removed easily without staining the stone.

## Stone Coating

### DURA-GLOSS™ Multi-Speed Buffable Floor Coating

DURA-GLOSS™ utilizes an advanced polymer system to provide a brilliant gloss and protective coating on most natural polished stone surfaces. DURA-GLOSS™ improves slip resistance on highly polished stone surfaces. This water-based high solids formula will produce a high initial gloss that can be maintained with any type of floor equipment, from conventional to UHS. DURA-GLOSS™ levels easily and dries rapidly.

4 X 1 GALLON: Item # 2507-29

## Specialty Cleaning

### STONE BEAUTY™ Countertop Polish

STONE BEAUTY is a ready-to-use polish that restores and protects natural stone countertops. STONE BEAUTY is specifically formulated to be safe on stone surfaces such as granite, marble, limestone, travertine and other natural surfaces.

12 X 32 OZ QUARTS: Item # 2518-45

## Stone Care Equipment

### PRO SERIES STONE BLAZER™ Ultimate Duty Stone Restoration Machine

Designed for the most discriminating Professional Stone Maintenance Worker. Ergonomically designed handle and Top-Lock Adjusting Handle simplifies the operation and reduces operator fatigue. Extra wide handle for comfort and ease of use. Extra heavy duty 4 gallon solution tank with positive shut-off valve. Heavy duty 1.5 HP enclosed motor. Rugged steel welded frame.

17" EACH: Item # 2584  
20" EACH: Item # 2585

### STONE BLAZER™ Ultimate Duty Stone Restoration Machine

Heavy-duty, heavy weighted versatile machine for cleaning, crystallization, wet polishing or diamond grinding of marble, granite, limestone, concrete, terrazzo and other stone surfaces. Heavy-duty 1.5HP enclosed motor. Includes NAT-STONE™ Diamond Pad Driver and 2 ea. 25 lb U-weights. Durable steel welded frame for up to 220 lb capacity. 50' 14-3 2-part extra heavy duty power cord.

17" EACH: Item # 2530  
20" EACH: Item # 2549

### COMMERCIAL BLAZER™ 13" Commercial Restoration Machine

Unique, smaller footprint gets into tight areas easily. Delivers the same weight per square inch as larger, heavier machines. 1.0 HP Twin Capacitor commercial motor. 50' 14-3 power cord. All steel assembly with welded frame. 26 lb Corrosion Resistant Weighted Diamond Driver included. 4 gallon solution tank.

13" EACH: Item # 2562

### COMMERCIAL BLAZER™ MP 13" Multi-Purpose Restoration Machine

13" Multi-purpose compact designed machine with adjustable handle is perfect for use in tight areas, steps, landings, and table tops. Heavy-duty all steel assembly with welded frame. Custom collapsible handle adjusts from 35" - 48". Small size fits tight, hard to reach areas. 26 lb Corrosion Resistant Weighted Diamond Driver included.

EACH: Item # 2573

# Stone Care Solutions

## Stone Care Equipment

### NAT-WEIGHT™ Weighted Diamond Pad Driver

A corrosion resistant, weighted diamond pad driver. Adds weight to machine to improve polishing performance. Available in 13", 17" and 20" sizes to fit most commercial machines. Corrosion resistant for a long useful life. Full face Applix® material provides superior holding power.

13": Item # 2572  
17": Item # 2563  
20": Item # 2575

### NAT-SPLASH GUARD™ High Density Plastic Guard

Designed to contain splashing that results from polishing floors. Keeps surrounding areas cleaner to reduce clean up time. Available in 13", 17" and 20" sizes to fit most machines. Installs easily, and can be removed easily for cleanup. High density plastic construction.

13": Item # 2577  
17": Item # 2578  
20": Item # 2579

### NAT-STONE™ Diamond Pad Driver

Replacement pad drivers designed for use with 13", 17" and 20" STONE BLAZERS and BLAZER MP. Features a plastic shower feed block with special driver. Heavy-duty construction for long lasting performance. Applix® material provides superior holding power on diamonds or pads.

13": Item # 2553  
17": Item # 2532  
20": Item # 2556

### NAT-SPEED™ High Productivity Diamond Pad Driver

Designed for use with STONE BLAZER equipment to increase productivity and diamond's ability to remove scratches from surfaces. Available in 13", 17" and 20" sizes. Reduces labor cost up to 65%. Rugged steel construction. Counter rotating planetary heads increase productivity over 300%.

17": Item # 2551  
20": Item # 2557

## Maintenance Brushes

### NAT-CLEAN™ 15" Cleaning Brush

Designed for use with 17" STONE BLAZER, this 15" medium duty brush is for regular maintenance and cleaning. Ideal for uneven surfaces. Flexible bristle action effectively cleans narrow grout lines.

EACH: Item # 2533

### NAT-CLEAN™ 13" Cleaning Brush w/Riser

Designed for use with 13" BLAZER™ MP. Aggressive cleaning brush for regular maintenance and cleaning. Ideal for uneven surfaces. Aggressive bristle action effectively cleans wide grout lines. Comes complete with high speed riser attached. For use on concrete and hard stone surfaces.

EACH: Item # 2554

### NAT-CLEAN™ 15" Super HD Restoration Brush

Designed for use with 17" STONE BLAZER, this 15" brush is very aggressive for general scrubbing or stripping finishes from hard surfaces. Grit-containing bristles for fast cutting action. Ideal for uneven surfaces. For use on concrete and hard stone surfaces.

EACH: Item # 2531

### POWER POLISH™ 17" Pad / Brush Combo

17" medium duty brush / pad combination for frequent maintenance cleaning. Flexible bristles clean narrow grout lines and uneven surfaces. Pad stays in constant contact with the surface for deep polishing. Unique dual design cleans and polishes in one step.

EACH: Item # 2542

## Stone Floor Care Pads

### AQUA MAGIC™ Floor Pads

A natural blend, dense floor pad suitable for use on natural stone surfaces. Designed for use with MRP, GRP, and Granite Sheen. Natural / Synthetic fiber blend creates a consistent, beautiful polish. Dense fiber construction promotes long pad life.

13" / 5 per case: Item # 2129  
18" / 5 per case: Item # 2118

### STEEL FORCE™ 17" Woven Steel Wool Pads

Non-shred, high performance steel wool pads produces high gloss quickly. Unique woven pad creates maximum heat generation for crystallization. Resists rusting, promotes long life. Non-shred; non-rolling design. Designed for use with many of the SCS system products. #1 Grade.

17" / 12 per case: Item # 2117

## Diamonds

### LUMINAIRE™ 3" Diamond Pads

Premium performance diamond polishing discs for polishing stone surfaces. Exceptional quality and performance. Sold individually.

#50 Green: Item # 2305  
#120 Black: Item # 2306  
#220 Red: Item # 2307  
#400 Yellow: Item # 2308  
#800 White: Item # 2309  
#1800 Blue: Item # 2310

### GRANITE MASTER™ 3" Diamond Pads

Premium performance diamond polishing discs for polishing granite surfaces. Exceptional quality and performance. Sold individually.

#50 Blue: Item # 2329  
#150 Gold: Item # 2330  
#300 Orange: Item # 2331  
#500 Red: Item # 2332  
#1000 Green: Item # 2333  
#2000 Turquoise: Item # 2334  
#3000 Blue: Item # 2335

### ECONO DIAMONDS™ 3" Diamond Pads

Economical performance diamond polishing discs. Exceptional quality and performance. Sold individually.

#200 Orange: Item # 2336  
#300 Light Orange: Item # 2337  
#500 Red: Item # 2338  
#1000 Blue: Item # 2339  
#2000 Light Blue: Item # 2340

### WET CONCRETE DIAMONDS™ 3" Diamond Pads

Premium performance diamond polishing discs for polishing concrete surfaces. Exceptional quality and performance. Sold individually.

#50 Light Green: Item # 2321  
#120 Brown: Item # 2322  
#220 Maroon: Item # 2323  
#400 Yellow: Item # 2324  
#800 White: Item # 2325  
#1800 Turquoise: Item # 2326

### SCS LIPPAGE™ 3" Diamond Pad

Heavy duty diamond flattens the floor quickly by removing lippage. Heavy duty steel construction. Diamond impregnated. Fast, heavy stock removal. Use on stone and concrete.

#80 Steel: Item # 2328
